Dear Mr. Collins:

Reference is made to your letter dated 13 October 1977 and to the enclosed copy of AF Form 20, a document concerning Oswald, Lee H. Sr.: 1653230 USMC.

There are two points I would like to have cleared up concerning this document;

1. Under "Remarks", it states that the student was attached to 1&I 1st Armamphdo USMCR, Broad Avenue, Gulfport, Mississippi, apparently as of 2 May 1957. I would like to be advised as to the organizational function of that particular unit.

2. Under" Transfered To: ", the address is given as H.Q. Battalion, H.Q., U.S. Marine Corps, Washington 25, D.C. Were all students involved in the same type of training given Mr. Oswald (atleast Marines) transfered to that address or is that simply where certain of his school records were sent?

Your answers to the above or referral to someone who can provide me with such information will be very much appreciated. Thank you.

Sincerely,

Emory L Brown, Jr.
